When you're ready to take back your health,
TempusClinic is here to support you.

" I WAS JUST TERRIBLY TIRED AND MY BACK HURT – every day and every night I was in pain. I also had difficulty getting out of a chair. Through the TempusClinic program, changes began to occur within the first couple of months. I have developed more energy and not only am I able to get out of a chair without pain, I can now squat with several hundred pounds of weight on my back! The real benefit of the program for me and everyone I know at TempusClinic is that we all feel better. And by God, what is life about if it isn't about feeling good."

TempusClinic Client: Mr. Jim Sorden, age 66.
