Dear Mr. Littlefield and Mr. Buford:

As a result of the interruption of the Department of the Interior's email service, the Navy is submitting two documents related to Site 27 of the former Naval Air Station Moffett Field via the postal service for your information. These documents were sent to the other Site 27 stakeholders electronically.

The documents are the Site 27 Draft Final Proposed Plan and the Final Response to Comments on the Draft Site 27 Proposed Plan. The Navy is not anticipating comments on these documents; however, if you have comments or concerns please submit them by April 7, 2004.

As always, if you have any questions, please do not hesitate to contact me at (619) 532-0911 or Mr. Scott Gromko at (619) 532-0933.

Sincerely,

ANDREA ESPINOZA  
BRAC Environmental Coordinator,  
By direction of the Commander
