approached the railing, then fell over, Burridge said.

Deputies who arrived at the scene about 1:30 a.m. found the man dead, face down in knee-deep water, "with obvious signs of trauma" caused by the fall, Burridge said.

Investigators found no identification on the man, whose death comes the weekend after four people were killed and another seriously injured in Isla Vista when a car slammed into them and parked vehicles.

An 18-year-old UCSB freshman has been charged with murder, gross vehicular manslaughter while intoxicated and driving while under the influence of drugs and causing great bodily injury in connection with the Feb. 23 crash.

Point Molate

Public Notice Restoration Advisory Board Meeting

The Department of the Navy (Navy) has partnered with environmental agencies and the community to coordinate the environmental restoration and cleanup of Point Molate under the Navy's **Installation Restoration (IR) Program**. The Point Molate **Restoration Advisory Board (RAB)**, which supports the IR program, meets every month. This meeting is **OPEN TO THE PUBLIC** and is intended to provide an open forum for the community to attend and participate in all aspects of the environmental investigation and cleanup of Point Molate.

Join us on **Wednesday, March 7, 2001, at 7:00 PM** at the **Richmond City Hall Complex Employment and Training Building, 330 East 25th Street, Room #1** (enter from the east side of building), for the next RAB meeting.

The Point Molate RAB is currently accepting applications for new RAB members. Applications are available at all RAB meetings, and can also be obtained from Don Gosney at (510) 233-2060.

If you have any questions, please contact Ms. Marianna Potacka, BRAC Environmental Coordinator, Southwest Division Naval Facilities Engineering Command, San Diego, CA at (916) 532-0941 or by e-mail at potackamk@efdswn.navy.mil.
