tion would take half

as long using dredge spoils to re-
place the lost sediment, some-
thing some experts consider too
costly and impractical, in part be-
cause of the difficulty of bringing
barges into the shallow South Bay
waters.

■ Few of the salt ponds can be
restored easily, and Cargill's of-
fer transfers the most difficult
ones to the public.

■ Costly levee maintenance
now performed by Cargill is
needed to prevent massive flood-
ing of South Bay cities.

Cargill representatives were
unavailable for comment, and a
spokesman for Feinstein said he
could not discuss a report he had
not yet seen.

Lewis said the findings were
based on a larger project no
longer on the table, included 20-
percent contingency costs t
twice the industry standa
needlessly projected ope
and maintenance costs
century.

"People will have to k
eye on things for some

said Carl Wilcox, habitat conser-
vation manager for the state De-
partment of Fish and Game's
Central Coast region. "We ended
up with ponds we couldn't oper-
ate on an interim basis and keep
from making salt."

But Wilcox, who is helping ne-

Point Molate

PUBLIC NOTICE Restoration Advisory Board Meeting

The Department of the Navy (Navy) has partnered with environmental agencies and the community to coordinate the environmental restoration and cleanup of Point Molate under the Navy's **Installation Restoration (IR) Program**. The Point Molate **Restoration Advisory Board (RAB)**, which supports the IR Program, meets every other month. This meeting is **OPEN TO THE PUBLIC** and is intended to provide an open forum for the community to attend and participate in the IR Program at Point Molate.

Join us on **Wednesday, April 3, 2002, at 7:00 PM** at the **Richmond City Library, Madeline F. Whittlesey Community Room, 325 Civic Center Plaza**, for the next RAB meeting.

The Point Molate RAB is currently accepting applications for new RAB members. Applications are available at all RAB meetings, and can also be obtained from Don Gosney at (510) 233-2060.

If you have any questions, please contact Ms. Marianna Potacka, BRAC Environmental Coordinator, Southwest Division Naval Facilities Engineering Command, San Diego, CA, at (619) 532-0941 or by e-mail at potackamk@efdswnavfac.navy.mil

For more information on the Navy's environmental program, please visit the Southwest Division web site at <http://www.efdswnavfac.navy.mil/environmental/envhome.htm>
