SUBJECT: DRAFT OFFSHORE ECOLOGICAL RISK ASSESSMENT FOR NAVAL
FUEL DEPOT POINT MOLATE

Dear Mr. Ramsey,

Enclosed is the Draft ERA Report for the offshore sediment at Point Molate for your review. Please provide comments to the Navy no later than June 11, 1999. In addition to your review of the ecological risk assessment specific to Point Molate, we would appreciate any additional comments you might have on the weight of evidence process. Since we would like to apply this process to other ERA sites, we want to make sure that the presentation of the results in the document is useful and easy to interpret. We welcome any suggestions on format and content.

Thank you for your participation in this process. If you have any questions please contact me at (650) 244-2516, or e-mail me at lhunt@cfawest.navfac.navy.mil.

Sincerely,

LISA HUNT
Remedial Project Manager
By direction

Enclosure: Draft Offshore Ecological Risk Assessment for Naval Fuel Depot Point Molate, Richmond, California, dated April 28, 1999
