Subj: WORK PLANS FOR NAVAL STATION, TREASURE ISLAND

Encl: (1) Final Community Relations Plan (CRP) NAVSTA Treasure Island

1. Enclosure (1) Revised Final Community Relations Plan, dated April 23, 1992 for the Remedial Investigation (RI) Feasibility Study (FS) at the Naval Station, Treasure Island. This document is part of the RI/FS Work Plans for the station and is submitted for your record.
2. This version of the CRP incorporates DTSC comments dated March 3, 1992 except for comment No. 2 regarding mailing list. DTSC requested phone numbers for all addressees listed. Initial efforts to obtain phone numbers identified that many addressees listed on the mailing list are out of date. An updated mailing list in separate binder will be provided in late May 1992. In the interim, Appendix A-2 of the CRP presents the existing mailing list and notes that an updated list will be provided in May 1992.
3. Thank you for your guidance and involvement in this RI/FS. For further information please contact Mr. Ernesto M. Galang, Code 181 H.G at Commercial (415) 244-2560.
