Subject: Concurrence that Groundwater at the Naval Station Treasure Island, San Francisco, Meet the Exemption Criteria in the SWRCB Sources of Drinking Water Resolution 88-63

Dear Ms. Klimek:

Regional Water Quality Control Board (RWQCB) staff have reviewed your letter to Mr. Chris Maxwell dated March 24, 2000 regarding the Navy's request for written concurrence that groundwater at Treasure Island meets the exemption criteria for State Water Resources Control Board (SWRCB) Resolution No. 88-63. In your letter, the Navy evaluated existing and potential beneficial uses of groundwater at Treasure Island (see letter attached). Based on RWQCB staff review of the data provided, RWQCB staff find that the quality and the hydrogeologic conditions of the groundwater beneath Treasure Island is such that this water is not a potential source of drinking water pursuant to SWRCB Resolution 88-63 and Regional Water Quality Control Board (RWQCB) Resolution No. 89-39.

If you have questions, please feel free to contact Sarah L. Raker of my staff by telephone at (510) 622-2377 or by electronic mail at slr@rb2.swrcb.ca.gov.

Sincerely,

Curtis T. Scott, Division Chief
Groundwater Protection and
Waste Containment Division
