PLANNING DEPARTMENT ENVIRONMENTAL
zoning districts and height and bulk controls in the San Francisco Planning Code. The Plan includes policies for transportation and infrastructure improvements and establishes basic parameters for building a viable mixed-use neighborhood north of Harrison Street and legislated geography for the Western SoMa Special Use District (SUD). Generally, the Western SoMa SUD progresses from non-residential uses on the Townsend Street high job square feet of below-grade garage parking for about 409 cars. The site would be redeveloped with about 420 dwelling units, 50,000 square feet of commercial/retail space, 9,840 square feet of light industrial/artist space, 3,500 square feet of community space, and 43,200 square feet of open space.
