Berkeley, CA 94710-2737

SUBJECT: TRANSMITTAL OF THE FINAL, FINAL STATUS SURVEY REPORT,  
NON-TIME CRITICAL REMOVAL ACTION FOR BIGELOW COURT  
SOLID WASTE DISPOSAL AREA, INSTALLATION RESTORATION  
SITE 12, NAVAL STATION TREASURE ISLAND, SAN FRANCISCO,  
CALIFORNIA

Dear Ms. Sunga:

Enclosure (1) is submitted for your records. This Final, Final Status Survey Report (FSSR) includes the results of radiological characterization and remediation surveys, biased soil sampling and systematic soil sampling performed during the Non-Time Critical Removal Action (NTCRA) completed at the Bigelow Court Solid Waste Disposal Area (SWDA) at Naval Station Treasure Island. The FSSR shows residual radiation levels (Radium-226) at the site are within background for Treasure Island. Accordingly, the Navy hereby requests a letter of Recommendation for Unrestricted Radiological Release (RURR) from the State of California for the Bigelow Court SWDA.

Thank you for your continued support on this project. Should you have any questions or need additional information, please contact Mr. Anthony Konzen, Remedial Project Manager at (619) 532-0924 or Mr. David Clark, Lead Remedial Project Manager, at (619) 532-0973.

Sincerely,

A handwritten signature in black ink, appearing to read "Keith Forman", is written over the word "Sincerely,".

KEITH FORMAN  
BRAC Environmental Coordinator  
By direction of the Director
