Subject: RE: NSTI Site 32 ROD/FINAL RAP
Date: Monday, April 04, 2016 14:49:00

Hi Kimberly,

Other than including a signature page for the certified engineer/geologist, I do not have additional comments on the RTC and the redlined RODS/Final RAP. Please see Site 24 ROD/Final RAP for a signature page that should be inserted.

Thank you – Medi

Subject: NSTI Site 32 ROD/FINAL RAP

Hello Ms. Sunga and Ms. Zech

Please find enclosed for your review the Navy's Response to Comments (RTCs) and the Final Installation Restoration Site 32 Former Training and Storage Area Record of Decision/Final Remedial Action Plan (ROD/FINAL RAP) for Former Naval Station Treasure Island, San Francisco, CA. Please note that the ROD/FINAL RAP is presented in redline strikeout for ease in the review process.

The Navy respectfully requests an expedited 7-day review of this report and RTCs. Please provide your concurrence (or comments) of these documents by Friday April 1, 2016. Once I receive concurrence from both of you, Mr. Keith Forman will sign the signature page and FEDEX it to you both for your points of contact (POCs) signature.

Thank you for your support of this program. If you have any questions or concerns, please contact Ms. Kimberly Noble, Remedial Project Manager at (619) 524-5257, Mr. David Clark, Lead Remedial Project Manager at (619) 524-6870, or Mr. Keith Forman, Base Environmental Coordinator at (619) 524-6073.

V/r
