NAVAL STATION TREASURE ISLAND, SAN FRANCISCO, CALIFORNIA – DRAFT HISTORICAL RADIOLOGICAL ASSESSMENT SUPPLEMENTAL TECHNICAL MEMORANDUM

Dear Mr. Forman:

On March 12, 2013, management representatives from the Department of Toxic Substances Control (DTSC), California Department of Public Health (CDPH), Department of the Navy (Navy), and Navy's Radiological Affairs Office had a meeting via telephone regarding the redlined Historical Radiological Assessment Supplemental Technical Memorandum (HRASTM). The redlined HRASTM was transmitted on February 14, 2013 and CDPH provided a comment memo on March 5, 2013. As discussed at the meeting, the Navy intends to do additional revisions on the HRASTM. Therefore, CDPH has withdrawn its comment memo and is waiting for the revised HRASTM. CDPH will reissue its comment memo after review of the revised HRASTM.

If you have any questions or comments, please contact me at 510-540-3824 or dtsuji@dtsc.ca.gov.

Sincerely,

Denise M. Tsuji
Unit Chief
Brownfields and Environmental Restoration Program
