

## **BECOME A MEMBER, TAKE THE SURVEY (or both)**

**Become a RAB Member:** The Navy would like to partner with you, in support of the community, to ensure the restoration goals and objectives, of both the Navy and community, are being met.

Restoration Advisory Board (RAB) members have a unique role. They provide advice to Navy decision makers and act as a liaison group to disseminate information to, and solicit concerns from, the community. Anyone within the community may apply to become a RAB member by completing the application found at (<https://www.navfac.navy.mil/Divisions/Environmental/Products-and-Services/Environmental-Restoration/Mid-Atlantic/Bedford-NWIRP/Community-Outreach/>). If you have questions email NAVFAC\_ML\_PAO@navy.mil. RAB member responsibilities include the following:

- Serve as a volunteer and attend the annual meetings for Bedford.
- Provide community input on local issues related to the Navy's restoration activities at the former Navy/Raytheon site in Bedford.
- Be available to the community to facilitate the exchange of information and/or concerns.
- Expect to devote at least 10 to 12 hours per year to support the RAB.

**Take the Survey:** Please complete the Navy's 20-question Environmental Concerns Survey. The survey will be open from March 27, 2024 to May 31, 2024. The survey is anonymous and may take up to 20 minutes depending upon your level of engagement. This survey will help the Navy understand your level of awareness and concerns about the site. The results of the survey will be used to inform an update to the Navy's Community Involvement Plan that will be made available to the public. This plan lays out information on the site and helps the community understand how they can stay informed and involved in the cleanup process. If you have questions concerning this survey email NAVFAC\_ML\_PAO@navy.mil or leave a message at 757-341-1410 /11.
