

NAVAL WEAPONS INDUSTRIAL RESERVE PLANT BETHPAGE

COMMUNITY RAB DRIVE AND SURVEY

BECOME A MEMBER, TAKE THE SURVEY (or both)

Become a member: The Navy would like to partner with you, in support of the community, to ensure the restoration goals and objectives, of both the Navy and community, are being met. Restoration Advisory Board (RAB) members have a unique role. They provide advice to Navy decision makers and act as a liaison group to disseminate information to, and solicit concerns from, the community. Although anyone within the community may apply to become a RAB member, anyone interested must fill out an application found at: [Community Outreach \(navy.mil\)](https://www.navy.mil/Community-Outreach/)*. If you have questions email NAVFAC_ML_PAO@navy.mil. RAB member responsibilities:

- Serve as a volunteer and attend all two annual meetings for Bethpage.
- Provide community input on local issues related to the Navy's restorations activities at the former Navy/Grumman site in Bethpage.
- Be available to the community to facilitate the exchange of information and/or concerns.
- Expect to devote at least 10 to 12 hours per year to support the RAB.

Take the Survey: Please complete the Navy's 20-question Environmental Concerns Survey. The survey will be open from March 5, 2024 to June 5, 2024. The survey is anonymous and may take up to 20 minutes depending upon your level of engagement. This survey will help the Navy understand your level of awareness and concerns about the site. The results of the survey will be used to inform the development of the Navy's Community Involvement Plan that will be made available to the public. This plan lays out information on the site or sites and helps the community understand how they can stay informed and involved in the cleanup process. If you have questions concerning this survey email NAVFAC_ML_PAO@navy.mil or leave a message at 757-341-1410 /11. To take the survey go to: https://usnavy.gov1.qualtrics.com/jfe/form/SV_be05vNLtkzWVqIK
