

Naval Weapons Industrial Reserve Plant (NWIRP) Calverton

Restoration Advisory Board
Community Member Application

Background: The Naval Weapons Industrial Reserve Plant (NWIRP) Calverton Restoration Advisory Board (RAB) is a forum for the discussion and exchange of environmental cleanup information between the Navy, state and federal regulatory agencies and the local community. It provides an opportunity for community members to review progress and provide advice and opinions to decision-makers on the NWIRP Calverton Environmental Restoration Program.

The NWIRP Calverton RAB is a volunteer organization which was established in 1997 and currently meets semi-annually. RAB meetings are open to the public, and last approximately 2 hours depending on agenda items. To remain engaged, RAB members will need to devote additional time throughout the year to review and comment on official work plans and environmental investigation reports.

Primary Responsibilities of RAB Members:

- Attend regularly scheduled RAB Meetings
- Review and comment on environmental cleanup plans and documents
- Share information with other local community members and groups interested in specific cleanup issues

NWIRP Calverton RAB community members must reside, own property, or represent an organization located within 10 miles of NWIRP Calverton. **The Navy is currently accepting applications for new RAB members.** If you meet the residency/involvement requirements and are interested in being considered for NWIRP Calverton RAB membership please complete and **mail this application to:**

**Naval Facilities Engineering Systems Command MidAtlantic
ATTN: NWIRP Calverton
9324 Virginia Avenue
Norfolk, VA 23511-3624**

You will be contacted to confirm receipt of your application and to inform you if you have been selected as a RAB member.
