

Naval Auxiliary Landing Field (NALF) Fentress Drinking Water Information Meeting

Tuesday, March 24, 2016 anytime between 4:00 p.m. and 7:00 p.m.
Mount Pleasant Christian School
1613 Mount Pleasant Road, Chesapeake, Virginia 23322

The Public is Invited to Attend

Residents in the vicinity of NALF Fentress, and other interested parties, are invited to attend a public information meeting to learn about the Navy's continued plans to address drinking water from private wells near NALF Fentress related to impacts from perfluorinated compounds (PFCs). The Navy used fire-fighting foam containing PFCs in past training activities on NALF Fentress.

The meeting format will include information displays along with representatives from the Navy, the U.S. Environmental Protection Agency, the Agency for Toxic Substances and Disease Registry, the Virginia Department of Environmental Quality, the City of Chesapeake, and the Virginia Department of Health.

You are encouraged to attend, at your convenience, anytime between the hours of 4:00 p.m. and 7:00 p.m.

For additional information regarding the meeting, you may visit the public web site at www.cnic.navy.mil/FentressInfo, e-mail fentressinfo@navy.mil, or call 757-433-3132.
