

RIGHT OF ENTRY AGREEMENT FOR
SAMPLING OF DRINKING WATER WELL(S)

I, _____ (full name), am the property owner
of the real property located at:

Property Address (include city, state, zip):

Mailing Address (if different than property street address; include city, state, zip):

Primary Phone Number: _____

Alternate Phone Number: _____

Email: _____

OWNERS OF RENTAL PROPERTY: Please provide name and phone number of current tenant(s) so that the Navy can provide sampling results:

I hereby give the U.S. Navy and its contractor(s) permission to access the above described property on _____ (date) to collect drinking water samples from the drinking water well(s) located on this property. I affirm that I have authority to allow access to this property. I understand that if my sampling appointment is rescheduled for a new date, a new Right of Entry agreement form must be completed prior to sample collection. I understand that this sampling will allow the Navy to assess whether certain per- and polyfluoroalkyl substances (PFAS) have migrated from a potential source on Naval Air Station (NAS) Whiting Field and its associated outlying landing fields to the drinking water well(s) on above described property.

In signing this Right of Entry, I understand that geographical information in the form of latitude and longitude coordinates of sampling locations on this property will be associated with specific sampling results shared with regulatory agencies supporting DoW's cleanup efforts and may become publicly available. Personally identifiable information (PII) such as names and addresses will not be released and remains protected from public release by the Freedom of Information Act (5 U.S.C. § 552).
