

NAVFAC

Naval Facilities Engineering Systems Command

OFFICE OF SMALL BUSINESS PROGRAMS

FY 2025 STRATEGIC FOCUS

OSBP MISSION. The OSBP supports the small business community and seeks small businesses with capabilities that support NAVFAC's strategy built around Enabling the Warfighter, Maximizing Naval Shore Readiness and Strengthening SYSCOM Teams; by partnering to deliver facility, construction, and expeditionary solutions with quality, speed, and agility.

OSBP TEAM. The NAVFAC OSBP team is comprised of highly skilled and dedicated business professionals located at each NAVFAC contracting office. We identify and communicate small business opportunities; establish internal program targets and objectives; track and communicate achievements; and provide expertise to command and industry representatives on all small business program issues.

OSBP FY 2025 OBJECTIVES.

- NAVFAC OSBP is committed to providing maximum practicable acquisition opportunities to small business concerns.
- NAVFAC will seek opportunities for optimal small business participation early in the acquisition planning process, utilizing set-asides and encouraging teaming, under set-asides and full and open competition, to help make projects of greater size and complexity more open to small businesses as prime contractors.
- NAVFAC will consider small business procurement strategies and include evaluation criteria tailored for unrestricted procurements which maximize small business participation at the subcontracting level.
- NAVFAC will continue to strengthen engagement with small businesses to ensure new entrants into the small business space understand how to do business with us.
- NAVFAC Small Business Professionals will continue to participate in SB training opportunities and pursue DAU's SB credentialing in an effort to maintain a solid knowledge base for the Office of SB Programs.
