

### FY 2023 STRATEGIC FOCUS

 **OSBP MISSION.** The OSBP supports the small business community and seeks small businesses with capabilities that support NAVFAC's strategy built around Enabling the Warfighter, Maximizing Naval Shore Readiness and Strengthening SYSCOM Teams; by partnering to deliver facility, construction, and expeditionary solutions with quality, speed, and agility.

 **OSBP TEAM.** The NAVFAC OSBP team is comprised of highly skilled and dedicated business professionals located at each NAVFAC contracting office. We identify and communicate small business opportunities; establish internal program targets and objectives; track and communicate achievements; and provide expertise to command and industry representatives on all small business program issues.

-  **OSBP FY 2023 OBJECTIVES.**
- NAVFAC OSBP is committed to providing maximum practicable acquisition opportunities to small business, small disadvantaged business, 8(a), HUBZone, service-disabled veteran owned small business and women-owned small business concerns.
  - NAVFAC will seek opportunities for optimal small business participation early in the acquisition planning process, utilizing set-asides and encouraging teaming, under set-asides and full and open competition, to help make projects of greater size and complexity more open to small businesses as prime contractors.
  - NAVFAC will consider small business procurement strategies and include evaluation criteria tailored for unrestricted procurements which maximize small business participation at the subcontracting level.
  - NAVFAC will continue to strengthen engagement with small businesses to ensure small business activities are being executed by leveraging program tools to ensure small business inclusion.
  - NAVFAC Small Business Professionals will continue to participate in SB training opportunities and pursue DAU's SB credentialing in an effort to maintain a solid knowledge base for the Office of SB Programs.
