

## 7 Qualities That Model Integrity

This infographic details 7 qualities to model integrity at work. By demonstrating these behaviors, you will elevate your integrity and raise the bar amongst your peers.

### 1 Humility

- Free yourself from pride and/or arrogance
- Be open to improve yourself and willing to receive constructive feedback

### 2 Honesty

- Be upright, fair, truthful, and sincere in all situations
- Convey the importance of integrity and the positive impacts honesty provides, both personally and professionally

### 3 Loyalty

- Demonstrate your support or allegiance to a belief or cause
- Place importance on team support and assistance

### 4 Consideration

- Work to ensure you do not cause inconvenience or harm to others
- Put the interests of others before your own

### 5 Trustworthiness

- Showcase your reliability, and consistently show up for your team, especially in stressful circumstances
- Be transparent with your team members

### 6 Respect

- Be mindful of your surroundings and show tolerance for other's opinions and beliefs
- Communicate in a healthy and productive manner

### 7 Authenticity

- Remain true to your own personality and values regardless of the pressures around you
- Demonstrate genuine concern for team success
