

# NOTICE TO BOATERS

VIEQUES ENVIRONMENTAL RESTORATION PROGRAM

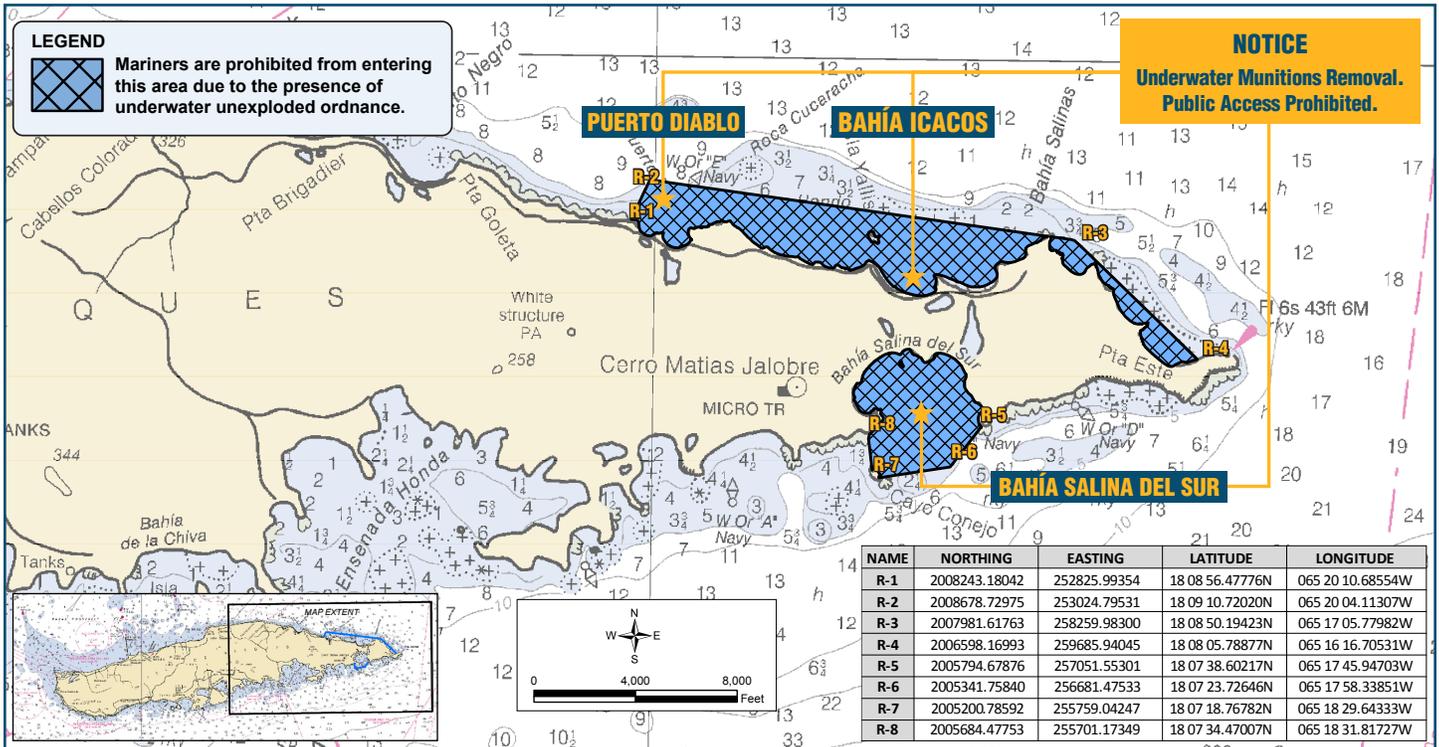

Vieques, Puerto Rico

MARCH 2020

## Upcoming Underwater Munitions Removal

From **March 2 through May 29, 2020**, the Navy will be removing underwater munitions within **Bahía Salina del Sur, Bahia Icacos, and surrounding areas**. Please note, these locations are within an area where mariners are prohibited from entering due to the presence of underwater unexploded ordnance.

### FOR YOUR SAFETY, PRACTICE THE 3RS: RECOGNIZE, RETREAT, AND REPORT.

#### 1. RECOGNIZE

Recognize when you may have come across a munition, and that **munitions are dangerous**.

#### 2. RETREAT

**DO NOT** approach, touch, move, or disturb a suspected munition, but carefully leave the area. **DO NOT** bring a suspected munition alongside or on board a vessel.

#### 3. REPORT

**Notify the US Coast Guard (USCG), Channel 16 - 156.800 MHz, or call 911 or (787) 741-2020.** Use World Geodetic System 1984 (WGS-84) for reporting.
