

**We Need Your Help!**

YOU can help the Navy's Environmental Restoration Program update its "Community Involvement Plan" and learn how people would like to be kept informed and aware of the environmental investigations and munitions response actions being done at Vieques. We encourage you to participate and take a few minutes to fill out this confidential questionnaire.

You have several options to return the completed survey - You can return a copy at the Post Office, Center of Integrated Services of Vieques, City Hall, or at Electronic Library on Victor Duteill street in front of the public plaza.

You can also fax it back to 714-424-2136 or if you prefer you can fill out the online questionnaire at this link:
