

## **Officer in Charge of Construction Marine Corps Installations East**

### **Multi-Purpose Machine Gun Range**

CONTRACTOR: Bristol Design Build Services  
AWARD DATE: 20 April 2010  
COMPLETION DATE: 30 June 2012  
PERCENT COMPLETE: 95% (as of 20 May 12)  
CONTRACT VALUE: \$15,810,463

#### **PROJECT DESCRIPTION:**

Design-bid-build contract to construct a multi-purpose machine gun (MPMG) range and relocation of an engineering training area (ETC) and explosive ordinance disposal site. The MPMG consists of 24 firing positions on an eight-lane raised firing line, 144 stationary infantry targets, 10 infantry moving targets, and 15 hostile flight simulators. Primary facilities for the MPMG include: breakdown building, covered bleacher enclosure, target storage building, covered mess, vehicular holding areas and bivouac area. Primary facilities for the ETC include: administrative, classroom and sort & maintenance buildings, bleacher and mess areas, and magazine shelter.
