

Officer in Charge of Construction Marine Corps Installations East

Physical Fitness Center

CONTRACTOR: Suffolk Construction Co., Inc.
AWARD DATE: 23 March 2010
COMPLETION DATE: 01 September 2012
PERCENT COMPLETE: 72% (as of 20 May 12)
CONTRACT VALUE: \$22,541,958

PROJECT DESCRIPTION:

Design-build contract for the construction of a 100,000 square-foot physical fitness facility with an indoor swimming pool. It will consist of a concrete masonry unit building on pile foundations with structural steel framing, reinforced masonry walls, brick veneer, reinforced concrete floor and a standing seam metal roof. This facility will also serve as a destructive weather shelter with additional construction features that include an emergency generator, wind rated windows and doors, wind resistant cladding and roll-up storm shutters.
