

## **Officer in Charge of Construction Marine Corps Installations East**

### **New Base Entry Point & Road, Phase II**

CONTRACTOR:	Dragados
AWARD DATE:	03 April 2012
COMPLETION DATE:	18 April 2015
PERCENT COMPLETE:	0% (as of 05 June 12)
CONTRACT VALUE:	\$41,167,978

#### **PROJECT DESCRIPTION:**

Design-bid-build contract to continue construction of new entry point that will include traffic control systems, bridging, a seven mile major four lane access road and over three miles of improvements to roads feeding into the new four lane road. Work for this project continues the construction of the four lane highway with associated bridging and access points. The project includes the construction of the bypass intersection and overpass connections at Holcomb Blvd. and Wallace Creek. Structures include bridges and multiple culverts along the route. Construction will also include improvements to the existing roadway geometry at various existing intersections adjoining the new roadway. P-1384 is an option
