

Officer in Charge of Construction Marine Corps Installations East

Tarawa Terrace II Primary School

CONTRACTOR: KISAQ-RQ
AWARD DATE: 09 August 2011
COMPLETION DATE: 28 October 2012
PERCENT COMPLETE: 38% (as of 20 May 12)
CONTRACT VALUE: \$14,169,000

PROJECT DESCRIPTION:

Design Build contract to construct a 44,000 square foot addition to the Tarawa Terrace II Elementary School to accommodate additional enrollment, and subsequently demolish Tarawa Terrace I Primary School. This addition will include a gymnasium and general purpose and special education classrooms. The project will also include changes to utilities, playground, signage, fencing, landscaping, security lighting, and additional parking. The facility will incorporate advanced communication systems to support technology program requirements, as well as general communications. Demolition will include buildings TT60, and TT60A-TT60H.
