

Officer in Charge of Construction Marine Corps Installations East

Truck Company Maintenance and Operations Complex

CONTRACTOR: Bay Electric Company, Inc.
AWARD DATE: 05 August 2008
COMPLETION DATE: 17 June 2010
CONTRACT VALUE: \$10,063,402

PROJECT DESCRIPTION:

This was a design-build contract for the design and construction of a truck company maintenance/operations complex and incidental infrastructure. The project included a 20,000 square foot building for maintenance, administrative, and training functions required to facilitate equipment and vehicle maintenance. It has drive-through equipment maintenance bays, a battery charging room, tool and parts storage, classroom and administrative space, a locker room with showers, and a weapons storage/cleaning area. Exterior facilities include perimeter fencing, wash racks and parking lot for 165 POVs and 283 tactical vehicles. POV parking is located outside the fence line.
