

Officer in Charge of Construction Marine Corps Installations East

New Gym for Delalio Elementary School

CONTRACTOR: Group III Management, Inc.
AWARD DATE: 11 June 2008
COMPLETION DATE: 06 July 2009
CONTRACT VALUE: \$1,855,001

PROJECT DESCRIPTION:

This bid-build contract provided for the construction of a gymnasium and two music rooms at Delalio Elementary School, MCAS New River. This work was in support of a school with an enrollment of approximately 350 students. Scope also included utilities, signage, landscaping, security lighting, and incidental related work. Construction consisted of concrete masonry walls with brick masonry veneer, and a standing seam metal roof.
