

ENVIRONMENTAL PROTECTION SPECIALIST (0028 Series)

Responsibilities

- Provides support to other organizations (Engineering Codes, Shops, Ships etc.) to assist in planning or resolving compliance issues such as hazardous waste disposal, packaging and manifesting, air and water pollution control measures.
- Implements and administers programs affecting public safety and welfare, and the natural resources of a military installation.
- Develops and executes specific plans of action for a variety of environmental program requirements.

Qualifications

Your resume must demonstrate at least one year of specialized experience at or equivalent to the (GS-12) or pay band in the federal service or equivalent experience in the private or public sector:

- 1) Review proposed environmental legislation and regulations to determine impact on Navy installations and operation;
- 2) Compile data and information to present briefing papers and recommendations to Senior Leadership;
- 3) Draft new policies, processes, budget submittals and instructions for consideration by leadership;
- 4) Lead an environmental program or project including plan development and coordination

NOTE: This information must be supported in your resume to be considered for the position.

Education:

Applicants must meet the following basic education requirements of the Office of Personnel Management (OPM) Qualifications Standards Manual:

FOR GS-05 (or equivalent pay band) 4-year course of study leading to a bachelor's degree

Applicants may substitute education for experience in the following situations:

FOR THE GS-07 (or equivalent pay band): Your resume must demonstrate that you have successfully completed one full year of graduate level education OR you have successfully completed a bachelor's degree with superior academic achievement

FOR THE GS-09 (or equivalent pay band): Your resume must demonstrate that you have successfully completed a master's or equivalent graduate degree OR have successfully completed two full years of progressively higher graduate level education leading to a master's degree LL.B. or J.D., if related

FOR THE GS-11 (or equivalent pay band): Your resume must demonstrate that you have have successfully completed a Ph.D. or equivalent doctoral degree OR you have successfully completed three full years of progressively higher level graduate education leading to a Ph.D. or equivalent degree or LL.M., if related

NOTE: Education and experience may be combined for all grade levels for which both education and experience are acceptable.

Additional qualification information can be found from the following Office of Personnel Management website:
