# Fun for the Whole Family!

Bases have fun and frequent activities for younger kids through Youth Centers and Youth Sports such as games, fairs, petting zoos, magic shows, book clubs at the library, etc. For older kids (11 and up) there are Teen Centers, skate parks and concerts, paintball courses, rock climbing, camping, etc. And for both age groups, an extensive Youth Sports program provides kids with opportunities to participate in a variety of sports throughout the year.

School trips off base also give kids the opportunity to experience Asian cultures, even as they attend American schools. And, there are always plenty of MWR-sponsored local tours and fun events for the whole family, including concerts, entertainers, theme parks, hiking, skiing, snowboarding and sledding trips, Japanese hot springs/baths, temples, castles, historical and cultural sites, and trips around Asia through base travel agencies. You may also be eligible to use free Space Available military flights.

In Korea, why not take the family to explore the Korean War National Museum in Seoul, Korean Folk Village or Cheju Island? In Singapore, the Singapore Zoo, the Night Safari Tour and Sentosa Island (where you can ride a cable car with great views of the city, play in the Fantasy Land water park, or enjoy thrills at Universal Studios Singapore) are close by.

While there are some differences between MWR programs, those found on bases are very similar to the following examples from Yokosuka, Atsugi, Sasebo and Diego Garcia...

**Yokosuka, Japan**

“OCONUS duty is very different from CONUS duty in that you are co-located with the mission and can see the results of your work first-hand. This is a very rewarding experience and being able to work in tandem with our Japanese, Korean and other allies / global partners to accomplish the PACOM mission makes it even more special. This is my 2nd tour in Japan and the people here are absolutely wonderful. US civilians have a collateral role as local ambassadors and play an important role in maintaining the harmonious relationship with our Host Nations and the United States. It is truly an honor to serve and advance the US interests / mission abroad.”

“If you have an open mind and a desire for adventure Japan is the place to be. There is always something new to see, do, taste, or experience both on and off base. Weekend trips can be a train ride away, or a quick plane ride to a new nearby country. The work is challenging and rewarding. You will never work with people as knowledgeable, helpful, and motivated as the people here, they work hard and play hard. It is one of the best decisions I have made for my career and my family.”
