

Directions

Naval Facilities Engineering Command, Hawaii

From Waikiki

- Take Ala Moana Boulevard out of Waikiki. (Ala Moana Boulevard becomes Nimitz Highway near the Federal Building [right] and Aloha Tower [left].)
- Continue on Nimitz Highway until the H1 Freeway on-ramp.
- Proceed up the ramp onto the H1 Freeway.
- Exit the H1 Freeway at the 'Stadium' Exit 15A.
- Proceed to the second traffic light. Turn right onto Radford Drive.
- Proceed through the 1st light (*compound can be seen on left*). Continue straight ahead past the NAVFAC Hawaii main compound automated gate (*left*) and Navy Exchange (*right*).
- At the Navy Gas Station (*left*), turn left onto Namur Road.
- Turn left into the main compound at Nanumea Road and stop at the gate guard shack.
- Proceed to desired building.

Gate access personnel will ask you for your ID.

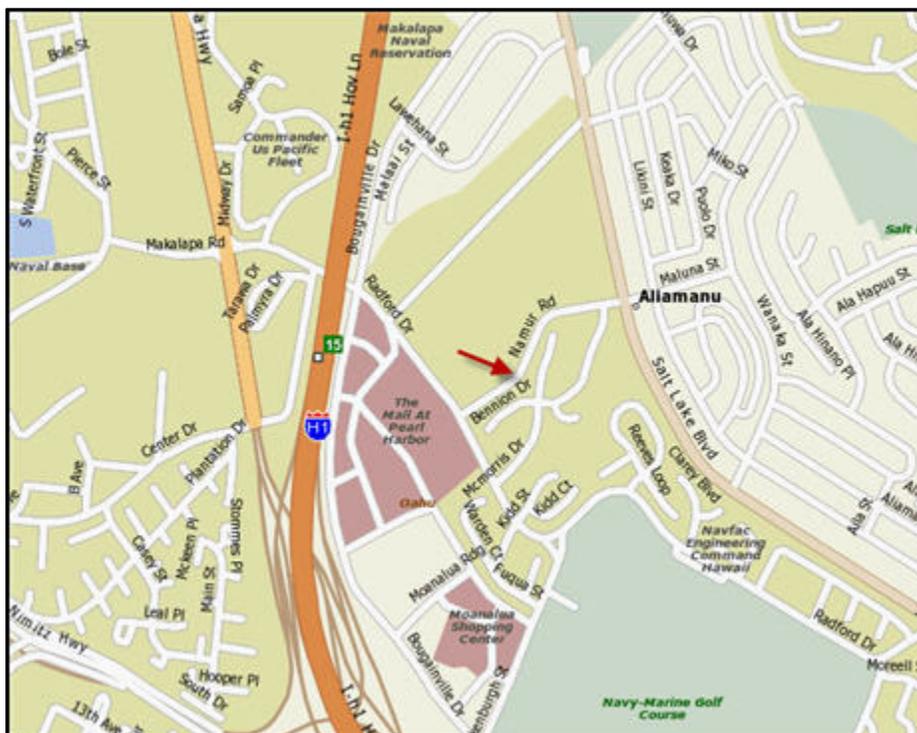

If you have any problems or need additional directions to a particular building, please call the person or office you are visiting.

From Honolulu International Airport

- Look for signs to Nimitz Highway. (*This road is underneath the H1 Freeway.*)
- Depart airport property and turn left onto Nimitz Highway.
- Proceed to light at Valkenburg Street and turn right.
- Continue on Valkenburg Street past Moanalua Shopping Center (*left*) and the Navy-Marine Golf Course (*right*). At three-way intersection, turn left onto Radford Drive.
- At the Navy Gas Station (*right*), turn right onto Namur Road.
- Turn left into NAVFAC Hawaii's main compound at Nanumea Road and stop at the gate guard shack.
- Proceed to desired building.

Note: Gate access personnel will ask you for your ID.

If you have any problems or need additional directions to a particular building, please call the person or office you are visiting.

NAVFAC Hawaii Main Compound

Off Radford Drive and across the street from the Navy Exchange complex.
