Newsgram 6: Region HI-5 Redemption Center at Hickam Opening Delayed

The Navy Region Hawaii Recycling Program had planned to reopen its HI-5 Redemption Center, Building 1715, near Kuntz Gate on Joint Base Pearl Harbor-Hickam May 6. However, due to voucher issues this action was delayed and the Center is not open at this time.

The Center has been closed since October 2013 due financial adjustments of the program requiring moving redemption from Morale, Welfare and Recreation to the Navy Exchange.

Plans to have vouchers issued at the Center and redeemed at the Navy Exchange Customer Service Desk in the main atrium for cash are still pending. Once it is resolved, a reopening announcement will be made so that personnel with old vouchers can redeem them and those who wish to restart delivering HI-5 items to the Center can do so.
