Guam SHPO (RC2014-0625)	The subject PA Memo #1 project was submitted on October 2, 2014 as a revision to the revised version that was submitted, on August 22, 2014, without the inclusion of the Project Description.
Guam SHPO (RC2014-0625)	In reference to the nine original studies of cultural and/or historic resources, conducted prior to, or in support of the 2010 FEIS, listed in pages 3 and 4, and in the legend section of the APE Map (Figure 1), we have the following request: 1. We do not have a copy of the Highness and Haun, 1990, cited, kindly provide us a copy. 2. Please verify the date of the Kurashina, Wooster, McGrath, and Toenjes? Is it 1986, or 1988?
Guam SHPO (RC2014-0625)	Page 6, DoD's Determinations of Eligibility and Effect: We concur with DoD's determinations of eligibility and effects that the eight GHPI sites within the J-OO1B APE are eligible for listing in the National Register of Historic Places under Criterion D and will be adversely affected by the proposed project.
Guam SHPO (RC2014-0625)	Site no. <i>[original statement has been redacted due to confidentiality requirements under the Archaeological Resources Protection and National Historic Preservation Acts]</i> was not changed as stated in our June 2, 1014 letter.
Guam SHPO (RC2014-0625)	The <i>[original statement has been redacted due to confidentiality requirements under the Archaeological Resources Protection and National Historic Preservation Acts]</i> was not reflected/added to the October 2, 2014 revised PA Memo.
