#### OSBP FY 2019 OBJECTIVES.

-  NAVFAC OSBP is committed to providing maximum practicable acquisition opportunities to small business, small disadvantaged business, 8(a), HUBZone, service-disabled veteran owned small business and women-owned small business concerns.
- NAVFAC will continue to encourage utilization of the DOD Mentor Protégé program.
- NAVFAC will seek opportunities for optimal small business participation early in the acquisition planning process, utilizing set-asides and encouraging teaming, under set-asides and full and open competition, to help make projects of greater size and complexity more open to small businesses as prime contractors.
- In efforts to streamline the acquisition process, NAVFAC will increase the practice of reserving for small businesses, set-aside awards under the Multiple Award Contracts (MACS) solicited via full and open competition.
- NAVFAC will consider small business procurement strategies and include evaluation criteria tailored for unrestricted procurements which maximize small business participation at the subcontracting level.
