(Henceforth "The Company")

The intended purpose for the Navy branded items is to produce a limited quantity of _____ for (Henceforth "The Command"):

1. The Navy grants The Company the right to use Navy trademarks in connection with the order placed by The Command, and The Company accepts the following terms and conditions.
2. The Company will only manufacture as many units needed to fill the order placed by The Command.
3. The Navy trademarks are to be used for the stated purpose alone and must not be used for any other purpose or altered without a written permission from The Department of the Navy's Trademark Licensing Program Office.
4. The Company shall not state or imply, either directly or indirectly, that it is supported, endorsed or sponsored by The Navy and will not use Navy trademarks in any of The Company's advertising.
5. The Navy reserves and retains all rights to the Navy trademarks, The Company acknowledges that all rights herein belong exclusively to The Navy, and agrees not to challenge The Navy's exclusive ownership of the trademarks.
6. The Company recognizes that this agreement conveys no interest to them in the Navy Emblem and/or any other Navy trademarks, service marks, collective marks, certification marks, collective membership marks, names, symbols, insignias, designs, logos, artwork, copyrights, or trade dress (individually and collectively "Navy Properties"), and you agree not to assert any rights or claims of ownership in, or rights to use, the Navy Emblem and/or other Navy Properties other than in accordance with the terms, conditions, and restrictions of this communication. Any further uses of the Navy Emblem and/or other Navy Properties are not permitted without prior, written approval from The Navy.
