Dear Mr. Gordon:

On behalf of the Navy, CH2M HILL is pleased to transmitt two copies of the Draft Work Plan and Sampling and Analysis Plan for Soil and Groundwater Background Investigation for AFWTF, Vieques Island, Puerto Rico.

As per our discussion during the conference call on Janusry 26, 2001, the Navy and CH2M HILL are prepared to meet with EPA and their consultant to discuss any comments on this draft work plan for background sampling at AFWTF. The meeting is tentatively planned for March 20, 2001 in the EPA Region II office in New York, NY.

Should you have any questions regarding the above, please do not hesitate to call me at 813-874-6522 ext. 4307.

Sincerely,
