Re: *Final Master Quality Assurance Project Plan, Environmental Restoration Program, Vieques, Puerto Rico*

Dear Mr. Rodriguez:

On behalf of the Navy, CH2M HILL is pleased to submit one hardcopy of the *Final Master Quality Assurance Project Plan, Environmental Restoration Program, Vieques, Puerto Rico*. The *Final Master Quality Assurance Project Plan (QAPP)* has been prepared in accordance with the responses to regulatory agency comments submitted on November 7, 2006, revised compliant with discussions held among agency representatives (i.e., December 7, 2006 Environmental Restoration Program Technical Subcommittee Meeting, as documented in the final meeting minutes) and correspondence received by EPA on May 16, 2007.

Additional copies of the *Final Master QAPP* have been sent to the individuals listed below. Given that this document is intended to be evergreen (i.e., modified as needed to keep procedures and protocols current), no CDs have been produced because they may become outdated very quickly. Instead, as updates to various procedures and protocols are made, they will be incorporated into the *Master QAPP* via submittal of replacement pages upon agency concurrence on the modifications. Additionally, the most up-to-date version of the *Master QAPP* will be maintained on the Vieques website should anyone wish to have an electronic copy.

Should you have any questions, please do not hesitate to contact Mr. Kevin Cloe at (757) 322-4736 or me at (757) 348-8409. Additionally, please direct any return correspondence to Mr. Cloe.

Sincerely,

A handwritten signature in black ink, appearing to read "G. Brett Doerr".

G. Brett Doerr

Environmental Manager
