**Public Information Session  
about the  
Munitions Response Program for Eastern Vieques**

**YOU ARE INVITED** to participate in a public information session about the Munitions Response Program for the former Vieques Naval Training Range, which was located on eastern Vieques.

**Date:** Thursday, December 16, 2004  
**Time:** 6:00 pm to 9:00 pm  
**Place:** The Lighthouse (El Faro)

**COME TO FIND OUT ABOUT ...**

- the process for investigating and cleaning up the munitions that remain on eastern Vieques from Navy training activities
- actions being planned for early 2005

Representatives from the Naval Facilities Engineering Command (NAVFAC) and the US Fish and Wildlife Service/Vieques National Wildlife Refuge will be available to answer questions and listen to the concerns and opinions of community members.

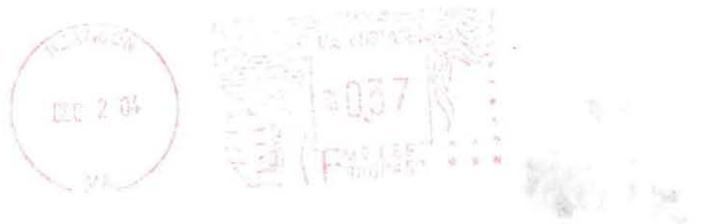

The other agencies that are involved in this effort—U.S. Environmental Protection Agency (EPA), and Puerto Rico Environmental Quality Board (EQB)—are also invited to participate. This public information session will provide a chance for community members to have one-on-one conversations with representatives of NAVFAC and the other involved agencies.

NAVFAC and the other involved agencies will continue to provide updated information to the public on a regular basis.

**FOR MORE INFORMATION** about this public information session or about eastern Vieques, you may want to contact:
