Re: Transmittal of Draft Master Work Plan

Vieques, Puerto Rico

Dear Mr. Penny:

Enclosed are two copies of the Draft Master Work Plan for NASD Vieques. Comments from USEPA on the Quality Assurance Project plan have been incorporated directly. The Community Relations Plan will be presented at the meeting in San Juan on May 9, 2000. After incorporation of comments from the technical advisory group, the Community Relations Plan will be added to the Master Work Plan.

Looking forward to seeing you in Puerto Rico next week.

Should you have any questions regarding the above, please do not hesitate to call me at 813-874-6522 ext. 4307.

Sincerely,
