Subject: EECA AOC J & R SWMU 6 & 7

Hola - Please consider this to be the formal request to extend the comment period for the EECA AOC J & R SWMU 6 & 7 an extra 15 days. As we had discussed in the conference call of 1/17/06 the new end date for comments is now scheduled to be 2/5/06. We hope to be able to have our TAPP consultant submit comments by that date. ¡Gracias! Colleen
