Re: Transmittal of Final Expanded PA/SI Report  
Naval Ammunition Support Department (NASD)  
Vieques, Puerto Rico

Dear Mr. Wing:

On behalf of the Navy, CH2M HILL is pleased to transmitt three copies of the Final Expanded Preliminary Assessment/Site Investigation for ten sites at NASD Vieques, Puerto Rico. Five copies will be placed in each of the three repositories, two on Vieques and one in Ceiba. As per a telephone conference call with Helen Shannon and Alida Karas held on October 24<sup>th</sup> 2000, a separate work plan will be prepared to address the background metals study recommended in this report. A meeting will be held in EPA's Region II office in November to discuss the background study.

The number of copies for each person varies and is listed below.

Should you have any questions regarding the above, please do not hesitate to call me at 813-874-6522 ext. 4307.

Sincerely,

Martin J. Clasen, P.G.
