Re: Review of the Draft Final Remedial Investigation Report SWMU 7 at the Former US Naval Ammunitions Support Detachment (NASD) Vieques, Puerto Rico

Dear Mr. Cloe:

The U.S. Environmental Protection Agency (EPA) completed the review of the Draft Final Remedial Investigation Report for Solid Waste Management Unit (SWMU) 7, former solid waste disposal site, at the Former Naval Ammunitions Support Detachment, sent via e-mail on November 24, 2007. Our review indicates that our comments have been satisfactorily addressed. Therefore, we concur with the draft final remedial investigation report.

If you have any questions or comments, please contact me at (787) 741-5201.

Sincerely,
