Dear Ms. Shannon:

Enclosed for your review and comment is a copy of the draft Community Relations Plan (CRP) for the Naval Weapons Industrial Reserve Plant at Bethpage, New York. The CRP discusses public involvement activities related to the ongoing Remedial Investigations (RI). The goal of the CRP is to develop an understanding of the community's perspective of the site and to keep the community involved and informed of the progress of the RI.

I ask that any review comments be provided in writing on or before February 3, 1992. To expedite the process, you may direct the comments to me by phone (215) 897-6432 or fax (215) 897-6199.

I would like to thank you for your effort and assistance in our remediation efforts at NWIRP Bethpage.

Sincerely,
