Subject: DPRO Support for Field Activities - Remedial
Investigation NWIRP, Bethpage, New York

Dear Mr. Klanchar:

HALLIBURTON NUS Environmental Corporation would like to thank Mr. Marty Simonson and Mr. Abe Kern of DPRO for their support of the recently completed field activities at the NWIRP Bethpage. Their long hours and efforts during the past several months helped maintain the schedule of an aggressive monitoring well drilling program.

Also, their coordination of activities between Grumman Aerospace Corporation and HALLIBURTON NUS was greatly appreciated.

Very truly yours,

David D. Brayack, P.E.
Project Manager
