 Acting
 Commissioner

Overnight Express Mail

March 20, 2000

RE: Northrop Grumman and NWIRP Site,
 Bethpage Facility Nassau County Site Nos. 1-
 30-003A & B.

Distribution:

Enclosed please find a copy of the draft final Operable Unit 2 Groundwater Record of Decision (ROD) for the Northrop Grumman and Naval Weapons Industrial Reserve Plant (NWIRP) sites. As draft final, this document is subject to possible modification prior to execution. The New York State Department of Health is finalizing the review of the responsiveness summary from the public meeting and as such, this section has been deleted from this copy. In addition, as a draft, this document has not yet been approved for release to the public.

This copy is being provided as a courtesy in order to discuss this final draft at the New York Water Service offices at 60 Brooklyn Avenue on March 22, 2001 at 11:00 with all the districts and at 1:00 with the PRPs.

If you have any questions, please contact me at (518)457-3395.

Sincerely,

Steven M. Scharf, P.E.
 Project Engineer
 Bureau of Eastern Remedial Action
 Division of Environmental Remediation
