Dear Mr. Katz:

This is in response to your request of 6 March 1990 in which you seek information regarding the Installation Restoration (IR) Study, NAS Brunswick, ME. As a matter under the Freedom of Information Act, it was referred to this office for action.

All documents that you have requested in paragraphs 1 and 2 of your letter have been published, released and are available at the Information Repository in the Curtis Memorial Library, Brunswick, Maine. The Information Repository at the library was set up expressly for the purpose of making this information available to the general public.

Regarding the documents listed in paragraph 3, Material Safety Data Sheets the Navy does not have any documents of the type that you request, but several of the documents in the Information Repository include this information.
