Subject: Draft March 21, 2007, Restoration Advisory Board Meeting Notes

Dear Mr. Monaco:

The following comments on the Draft March 21, 2007, Restoration Advisory Board (RAB) Meeting Notes are submitted on behalf of the Brunswick Area Citizens for a Safe Environment (BACSE). The comments below incorporate Ed Benedikt's April 19, 2007 emailed comments.

- 1. Meeting Attendees.** Mary Edgerton did not attend the March 2007 RAB meeting. Please change Maria Loutre to Maria Lofchie. Please add Victor Simonera (Tetra Tech) and John Sperka (Malcolm Pirnie) [please confirm correct spelling]. Per Ed Benedikt's April 19th email, David Chipman represents the Town of Harpswell, rather than BACSE.
- 3. Site 9 Update.** In the Administrative Item paragraph, please change Harpswell Cove to the Town of Harpswell in the first two places it is used.
- 5. CERFA Update.** The paragraph regarding the East Brunswick radio transmitter site should be revised per Ed Benedikt's April 19th email. There was not a tower at the location, rather an antenna consisting of a cable or cables strung between telephone poles. That antenna array and a concrete block transmitter building have been demolished or removed.
- 8. Upcoming Work – Next 6 Months.** The second paragraph, which has Main Base as its heading, is a continuation of the MMRP topic and should be incorporated into the first paragraph.
