**NOTICE
THE UNITED STATES NAVY
INVITES
PUBLIC ATTENDANCE TO
A PRESENTATION OF THE
PROPOSED REMEDIAL ACTION PLAN
FOR SITE 7 AT
NAVAL AIR STATION
BRUNSWICK, MAINE**

The U.S. Navy, the U.S. Environmental Protection Agency (EPA) Northeast Region, and the Maine Department of Environmental Protection (MEDEP) will hold a meeting to present the Proposed Remedial Action Plan for Site 7 (Old Acid/Caustic Pit) to members of the RAB and the public. The meeting will be held on April 9, 2002 from 7:00 PM to 9:00 PM in the Meeting Room of the Parkwood Inn located at Cook's Corner on Route 24, in Brunswick.

The purpose of this meeting is to inform the public and RAB members of the Navy's proposed remedial action for Site 7 that is listed on the National Priorities List. The proposed plan will be distributed on March 29, 2002 and will be available for the public to review at the Brunswick Memorial Library along with other related Site 7 documents in the Brunswick Administrative Record. The Navy, EPA, and MEDEP welcome the public's attendance to this public meeting.

For further information, contact:
