**Re: Draft Workplan for Direct Push Investigation at the Eastern Plume, Site 9  
and MW-313, Naval Air Station, Brunswick, Maine**

Dear Mr. Monaco:

Pursuant to § 6 of the Naval Air Station Brunswick, Maine Federal Facility Agreement dated October 19, 1990, as amended (FFA), the Environmental Protection Agency has reviewed the subject document and comments are below:

**General Comments:**

1. EPA agrees with the State of Maine's comments dated April 22, 2004 on the subject document and will not re-iterate them here.
2. Please provide notice of the work at least 5 business days in advance for oversight planning purposes.
3. EPA will support the Navy with screening level sample analysis if possible during the week of June 7, 2004 when we plan to be onsite with our mobile lab.

If you have any questions with regard to this letter, please contact me at (617) 918-1384.

Sincerely,

A handwritten signature in black ink, appearing to read "Christine Williams".
