Re: Site 9, Monitoring Event 28 Response to Comments
Naval Air Station, Brunswick, Maine

Dear Mr. Monaco:

MEDEP has reviewed the Navy's responses dated August 17, 2007, to the Maine Department of Environmental Protection (MEDEP) comments, dated July 17, 2007, for Site 9 Monitoring Event Report 28 (January & April 2006). Based on that review no further comments provided that:

- Navy gauges the ponds during future ME's and ensures that the staff gauges are in sufficient condition to be useful; and
- the proposed revisions and additions are incorporated into the final report along with regulator comments, responses and this letter.

Please contact me at (207) 287-7713 or claudia.b.sait@maine.gov, if you have any questions or comments.

Respectfully,

Claudia Sait
