Subject: Request Endangered or Threatened Species for
Calverton, New York NWIRP

Dear Mr. Clough:

HALLIBURTON NUS is under contract to the US Navy to provide administrative and technical services under the Comprehensive Long-Term Environmental Action Navy (Navy C.L.E.A.N.) program. In this capacity, we have been tasked to perform a site assessment using the US Environmental Protection Agency's Hazard Ranking System model at the National Weapons Industrial Reserve Plant (NWIRP) at Calverton New York.

As per the conversation between Randy Patarcity of HALLIBURTON NUS and you on August 22, 1991, please forward any available information regarding endangered or threatened species that may reside within the study area shown on the enclosed map. The study area is located near Calverton, Suffolk County, New York.

If you have any questions or require additional information, please call me at (412) 747-7888.

Very truly yours,

David D. Brayack
